

BRIAN RICHTER PE | PROJECT ENGINEER

> Education

Master of Science in Civil Engineering
Purdue University | 2012

Bachelor of Science in Civil Engineering
Purdue University | 2011

> Associations

Structural Engineering Association of Washington

Experience

Upon graduating from Purdue in 2012, Brian moved to the northwest to pursue a structural engineering career. He joined SSF in 2014 and has worked on a variety of structure and project types, with an emphasis on single-family residential. Brian has designed engineering solutions for new and renovated homes in Washington, Oregon, California, Hawaii, and Massachusetts. He has also worked on a number of multi-family/mixed-use and commercial projects.
