

# FRANCESCA RENOARD | PROJECT ENGINEER

## > Education

Master of Science in Civil Engineering  
University of California, Berkeley | 2014

Bachelor of Science in Civil Engineering  
University of Washington | 2013

## > Registration

PE, California

## Experience

After serving SSF as an intern for two summers, Francesca was then hired full time upon completion of her Masters Degree from UC Berkeley. She works on a wide variety of building types utilizing wood, concrete, brick and steel construction systems. She has a particular interest in historic renovation. Francesca enjoys being an integral part of the design by working closely with SSF staff and the entire design team to provide sound structural solutions.
