

FRANCESCA RENOARD, PE | PROJECT ENGINEER

> Education

Master of Science in Civil Engineering
University of California, Berkeley | 2014

Bachelor of Science in Civil Engineering
University of Washington | 2013

> Registration

PE, California

Experience

After serving SSF as an intern for two summers, Francesca was then hired full time upon completion of her Masters Degree from UC Berkeley. She works on a wide variety of building types utilizing wood, concrete, brick and steel construction systems. She has a particular interest in historic renovation. Francesca enjoys being an integral part of the design by working closely with SSF staff and the entire design team to provide sound structural solutions.
