

JOANNA JOHNSON | PROJECT ENGINEER

> Education

Bachelor of Science in Civil Engineering
Illinois Institute of Technology | 2013
Master of Science in Structural Engineering
University of Washington | 2014

> Registration

EIT, Illinois

> Affiliations

Structural Engineers Association of
Washington (SEAW) Member

Experience

Upon completion of her Master's Degree from the University of Washington, Joanna joined Swenson Say Fagét (SSF). She works on a wide variety of building types utilizing wood, concrete, brick and steel construction systems. Joanna enjoys being an integral part of the design by working closely with SSF staff and the entire project team to provide sound structural solutions.
