

SCOTT WIBLE | STAFF ENGINEER

> Education

Bachelor of Science in Civil Engineering with Honors, Emphasis on Structural Engineering
University of Washington | 2015

> Certification

Engineer-in-training (EIT) - WA

Experience

Scott joined the SSF team in 2015 after graduating from the University of Washington. He works on a wide variety of building types as illustrated below utilizing wood, concrete, brick and steel construction systems. Scott enjoys being an integral part of the design by working closely with SSF staff and the entire project team to provide sound structural solutions.
