

## JOCELYN TETREALT | PROJECT ENGINEER

### > Education

Bachelor of Science in Civil and Environmental Engineering  
Worcester Polytechnic Institute | 2009

### Experience

Upon completion of her engineering degree, Jocelyn moved from Massachusetts back to the Seattle area. She joined SSF in 2012 and works primarily on renovation and new single family homes as well as multi-family and commercial projects. Jocelyn enjoys the unique design challenges and solutions of residential work. Their short time-frame allows her to work on more projects and team with a wide variety of clients and owners.
