

# CHRIS POTTER PE, SE | ASSOCIATE PRINCIPAL

## > Education

BS in Physics | Pacific Lutheran University | 2004

BS in Civil Engineering | Columbia University | 2006

## > Registration

Washington

## Experience

After interning with SSF in 2005, Chris joined Swenson Say Fagét full time in 2006. With degrees in civil engineering (from Columbia) and physics (from PLU), he designs creative and efficient concrete, steel, and wood structural systems. Chris' projects are located throughout the Puget Sound and include a variety of multi-family, single family, and commercial buildings.
