

## RYAN ANDERSON PE, SE | ASSOCIATE PRINCIPAL

### > Education

B.S.C.E.

Gonzaga University | 2005

### > Registration

Washington

Since 2005, Ryan has been designing wood, masonry and concrete structural systems for multi-family/mixed-use, commercial and residential projects. In 2011, he joined the SSF team and has fine-tuned his skills for the unique structural challenges of residential design while continuing to design a variety of other projects. Ryan's exceptional communication skills and efficient structural solutions have resulted in satisfied clients that return to SSF for future projects.
