### > Education

Masters of Science in Civil Engineering (MSCE)  
Washington State University | 1997

Bachelors of Science in Civil Engineering (BSCE)  
Washington State University | 1995

### > Registration

Washington

### > Affiliations

Structural Engineers Association of Washington  
(SEAW)

### Experience

Tim joined SSF in 2017. He has an extensive background of multi-family/mixed-use and commercial office projects throughout the Puget Sound region. Currently, he is working on River Run apartments in North Bend, and 2214 S. Jackson apartments in Seattle. Tim's responsibilities include the design and analysis of concrete, steel and masonry structures, project management through construction completion, and client development.
