

AARON LIEBERMAN PE | PROJECT MANAGER

> Education

Bachelor of Science in Civil Engineering and Environmental Engineering with a Minor in Mathematics, University of Washington | 2016

> Registration

PE, Washington

Experience

A graduate of the University of Washington, Aaron joined Swenson Say Fagét (SSF) in 2016. He works closely with the SSF team on a variety of projects utilizing wood, concrete and masonry structural systems. Clients appreciate Aaron's attention to detail, his focus on providing efficient and sound structural solutions, and his involvement from design through construction.
